Make the same grid pattern on your drawing paper. Mark the edges at equal intervals and connect them using a ruler to create a grid as you did with the original image. However, make sure to only draw the markings and grid lines lightly so that you can erase them later on. In the end, you should have something similar to the image provided.

How to Scale Drawings Using the Grid Method: 9 Steps

Step 1: Brainstorm Ideas. Write down all subjects, themes, places, things, activities or issues that are personally relevant and that matter to you (even random, unexpected things, such as a the art room sink, or heirloom knives and forks in your kitchen drawer). The purpose of any artwork is to communicate a message: to comment or scream or sing about the world in which we find ourselves in.
