Economics (/ , i: k ə ' n ɒ m i k s , , ε k ə -/) is the social science that studies how people interact with value; in particular, the production, distribution, and consumption of goods and services.. Economics focuses on the behaviour and interactions of economic agents and how economies work. Microeconomics analyzes basic elements in the economy, including individual agents and ...

John Stuart Mill (20 May 1806 – 7 May 1873), usually cited as J. S. Mill, was an English philosopher, political economist, Member of Parliament, and civil servant. One of the most influential thinkers in the history of classical liberalism, he contributed widely to social theory, political theory, and political economy. Dubbed "the most influential English-speaking philosopher of the ...
