Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

What Works For Women At

The What Works to Prevent Violence Against Women and Girls Programme is a flagship programme from the UK Department for International Development (DFID), which is investing an unprecedented £25 million, over five years, to the prevention of violence against women and girls.

Women in Shakespeare is a topic within the especially general discussion of Shakespeare's dramatic and poetic works. Main characters such as Dark Lady of the sonnets have elicited a substantial amount of criticism, which received added impetus during the second-wave feminism of the 1960s. A considerable number of book-length studies and academic articles investigate the topic, and several ...
